

BEEF CATTLE FIELD DAY SATURDAY

Grading of beef cattle, as carcasses compared to cattle on foot, will feature the second annual Beef Cattle Field day at the Farm Bureau sales yard in Visalia, Saturday, May 19, starting at 10 A.M. The event is sponsored by the Tulare County Cattlemen's association and the University of California Extension service.

Livestock grading will be conducted by Tom Bruce, U. S. department of agriculture livestock grading specialist from Kansas City. Carcass grading will be handled by Russell O. Hiltz of the federal grading service, San Francisco.

Added features of the program will be a discussion of "Dwarfism" in cattle by Dr. Paul Gregory, of the university staff, and Wilbur Dennis, Ducor, will show a four and one-half year old fat steer, with this animal to be used in a weight guessing contest.

In general charge of arrangements is Farm Advisor Robert H. Anderson. All interested ranchers are invited to attend.

Packing House Cost Analysis To Be Discussed

The controversial subject of citrus packing costs will be discussed at a meeting of the Porterville Farm Bureau Center to be held next Tuesday evening, May 22, at Gang Sue's Chinese Tea garden in Porterville, with dinner to be served at 7:30 p.m.

Farm Advisor Clem Meith will present information taken from a federal survey on packing house costs. He will merely present facts and figures, without comment.

Mr. Meith will also discuss the currently imported leaf fall and twig dieback in citrus, telling of work that is being done to control these factors.

Howard Michaelis, chairman of the Porterville Farm Center, will preside. All citrus growers, whether Farm Bureau members or not, are invited to attend the meeting.

CERTIFIED SEED FIELDS APPROVED AFTER INSPECTION

Three Arivat barley fields and two wheat fields, one Bunyip 41, the other White Federation 38, have been approved in Tulare county for certified seed, following a recent strict inspection, Farm Advisor Ralph Worrell announces.

The barley fields belong to: Ralph Terry, Woodville; Henry Borchardt, Alpaugh, and Allan Grant, Visalia. Bunyip 41 field was grown by L. J. Singleton, Orange Cove and the White Federation 38 field, by Muller Brothers, Terra Bella.

ARKANSAS PICNIC

If you're from Arkansas — and we've been led to believe some of you are — make a date for Sunday, May 20, Section 4 at Mooney Grove for an Arkansas picnic. A potluck, picnic lunch will be served; coffee and lemonade will be provided; the event is an all-day affair. Former Arkansas residents are also invited to a valley picnic at Roeding park, Fresno, the third Sunday in June.

DEADLINE

Livestock entries for Porterville's fair close at noon, May 19; junior horse show entries close at the same time. Entries are being taken at the fair office, 522 North Main.

DWIGHT MOORE'S MONGREL REVIEW, one of the finest dog acts in the business, will appear each night as a feature of the fourth annual Porterville Livestock Show and Fair, May 24, 25 and 26 in the Porterville municipal ball park.

YOU'LL BE ENTERTAINED AT THE FAIR

In addition to viewing some fine exhibits and seeing a "million dollar" display of 4-H and Future Farmer livestock, you can expect to be well entertained at the fourth annual Porterville Livestock Show and Community fair, May 24, 25 and 26 in the Porterville municipal ball park.

Each night a thrilling show will be presented in front of the grandstand, featuring the Great Romero, swaying pole artist; the Three D's, with their triple bar act; the Lee Sisters, high bar performers, and one of the best dog acts in the country — Dwight Moore's revue.

In addition, Porterville's Fair Canterbelles will present their colorful mounted drill each night; a pet parade will open the evening show at 7 P.M. the night of May 25 and the afternoon of May 26, boys and girls of the community will ride in the annual Junior horse show.

Saturday afternoon, at 2 o'clock, the annual junior fat stock sale is scheduled and each year this turns into an entertainment feature as business men and ranchers of the community bid for the high-quality stock that is offered.

During the afternoon of opening day, May 24, and throughout the day, May 26, Future Farmers and 4-H club members will be showing livestock in front of official judges, with champion fat animals to be picked in the show-in at 2 P.M.

ELKS BAND

The Porterville Elks band will be on hand all three nights of the Porterville Livestock Show and Fair to entertain with music and to play for the acts that will feature the evening shows.

FAIR PROGRAM

Here is your Porterville Livestock Show and Fair program:

Thursday, May 24

Opening — 11 A.M.
Livestock Judging — 2 P.M.
Circus Show — 7:30 P.M.

Friday, May 25

Livestock Judging — 9 A.M.
Livestock Judging — 2 P.M.
Pet Show — 6 P.M.
Pet Parade — 7 P.M.
Circus Show — 7:30 P.M.

Saturday, May 26

Junior Fat Stock Sale — 2 P.M.
Junior Horse Show — 5 P.M.
Circus Show — 7:30 P.M.

CATTELMEN MEETING

Directors of the Tulare County Cattlemen's association, other members and wives, will meet the evening of May 21, 7 p.m. at the Buckaroo in Three Rivers for a quarterly business session and dinner.

stock Show and Fair, May 24, 25 and 26 in the Porterville municipal ball park. This act was featured for two years with Polack Bros. circus and has just completed an engagement with the Shrine circus at Tacoma and Portland. Other professional acts, plus the colorful Porterville's Fair Canterbelles, a group of 16 girl riders

Junior Fair Will Open May 24

COLORFUL EXHIBITS ARE PLANNED

Fifty colorful exhibits are assured for the fourth annual Porterville Livestock Show and Fair, May 24, 25 and 26 in the Porterville Municipal ball park, with Fair Manager Harry Britton stating that several other exhibits are still pending.

In special display classes, the communities of Woodville and Springville will have booths; the Porterville Garden club will have space at the main entrance to the display area; a horticulture exhibit will be featured; Boy Scouts of America will take over in a booth donated by E. D. Dinkins of General Petroleum corporation and, as in past years, a highly colorful display of citrus will be set up.

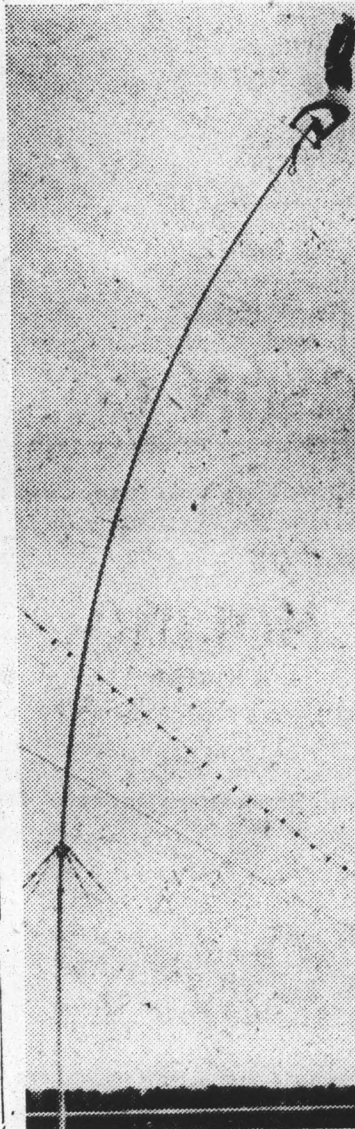

Farm implements or cars will be shown on the fair grounds by Ben Spear, Dodge and Plymouth, Farmers' Tractor and Equipment company, Tighe Chevrolet; Treanor Equipment company, Weisenberger's Farm Supply, Billingsley and Elliott Tractor Sales; Motor Center, Pontiac, Marks Tractor and Truck company, Billingsley and Elliott Ford and Mercury, Porterville Sales and Service Packard Agency, Valley Auto Sales Mercury and Lincoln, Bice Motors Plymouth and DeSoto, Givan Buick and Sheela Sales and Service Oldsmobile.

Displays that will be of interest to farmers and city residents alike will be shown by Wall's Livestock Supply, Jennings Farm Supply, Dom's Soft Water, Clark Pest Control, Montgomery Ward, Pacific Telephone and Telegraph, Sunbeam bread.

Wilcox Insurance, Lumley-Reed Insurance, Brey-Wright Lumber company, Jones Hardware, B-J Farm Service, Max Crumel Texaco, Terry's Sewing Machine, The Farm Tribune.

Shell Oil company, Radio Station KTIP, Marks Tractor and Truck company, refrigerators, San Joaquin Valley Poultry Producers association, Wheeler Furniture company, Farmers Feed and Poultry Exchange, Commercial Tire Service company and Daybell Nursery.

BUCK VINCENT suffered a broken leg, recently, when his horse fell while he was working cattle.

THE GREAT ROMERO is the man in the precarious position on top of the swaying pole. With the Three D's, he presents one of the thrilling acts that will feature each night's program for the fourth annual Porterville Livestock Show and Fair, May 24, 25 and 26 in the Porterville Municipal ball park. First event of the show is scheduled for 7:30 o'clock nightly.

VOTE — VOTE — VOTE

Mrs. Neva Darr and Ronald Bessey are running for the Porterville Union High School and College board at an election to be held Friday, May 18, to fill the vacancy of Incumbent Fanny Williams, who is not a candidate for reelection. Elections are also being held in Elementary school districts throughout the southern county area. It just takes a minute to vote. Don't miss this privilege.

JOHN DAYBELL has been elected president of the Porterville 20-30 club.

STRUCTURES GOING UP FOR FAIR

Construction of barn frameworks in the Porterville municipal ball park will start tomorrow evening at 8 o'clock, to house the fourth annual Porterville Livestock Show and fair, that will open next Thursday, May 24, for a three-day run.

With Fair Director Guido Lombardi in charge, members of the Porterville chapter of the California Young Farmers, directors of the fair, farmers and business men of the community will pool their efforts to get the park ready to go over the coming weekend.

Covered area for commercial and special displays will extend along the east fence, from the main entrance, into deep center field, then along the south fence. Livestock will be quartered along the (Continued on Page 12)

ADMISSION

Admission charges to Porterville's fourth annual Livestock Show and fair will be: General, \$.75, all day, including grandstand seats at night; high school students, .50; children 12 and under, .25. Parents of exhibitors can purchase a "season" admission for \$1.50. All money taken in goes toward support of the fair.

VOLUNTEER WORKERS ARE STAGING FAIR

A number of volunteer workers in the southeastern Tulare county area are contributing time and effort toward the fourth annual Porterville Livestock Show and Fair, to be staged in the Porterville municipal ball park, May 24, 25 and 26 as California's only completely home-supported fair.

On the executive board are: A. K. Hodgson, Bill Rodgers, Rolla L. Bishop, Cyrille Faure, F. R. Farnsworth, Chester Gilbert, Allen Coates, Guido Lombardi, Ira O. Marks and Chester Griswold, with Guy Knapp Jr. as legal counsel. Fair Manager is Harry Britton.

Handling special jobs for the fair are: Murray Tanner, finances; Alfred Browning, auditor; Frank Brown and Lee Clearman, publicity; Dick Giddings, concessions; Charles Haener, entertainment; Bob Bennett, circus show; Allan Basye, floriculture; Ernie Holmes, agriculture and horticulture; Jim McAuley, pet par-

(Continued on Page 12)

HOME GARDENS

"Your Home Vegetable Garden," a new publication of the Agricultural Extension Service office, is just off the press and is available at the office of the county farm advisor, postoffice building, Visalia. Cultural methods of a number of garden crops are discussed.

Alcoholics Anonymous Dinner Meeting Saturday

Bob Travis and Mrs. Travis, of Los Angeles, will speak at a dinner meeting of Alcoholics Anonymous, to be held Saturday evening, May 19, in the Congregational church social hall, Porterville.

The dinner will be in the form of a rally for the southern part of the San Joaquin valley. Anyone with alcoholic problems is invited to attend.

Advertise Your Needs In The Classified section of The Farm Tribune.

MARIE CARLISLE ELECTED PRESIDENT OF TULARE COUNTY COW-BELLES AT FINAL MEETING OF SPRING SEASON

Marie Carlisle, Porterville, was elected president of the Tulare County Cow-Belles, auxiliary of the Tulare County Cattlemen's association, at the final spring season meeting of the group held Saturday at the Congregational church social hall.

Vice president is Claire Menne and secretary-treasurer is Eva Morris, Ducor. Three new directors are Mesdames Carlisle and

Morris and Evelyn Beck. Chairman of the nominating committee was Mrs. Ralph Gill.

A vote of thanks was extended to Mrs. F. R. Farnsworth, who has served the organization as president during the past two years. Read at the Saturday meeting was an invitation from Mrs. L. O. Cutler, Visalia, asking all Cow-Belles to attend a luncheon at her home on Saturday, May 19.

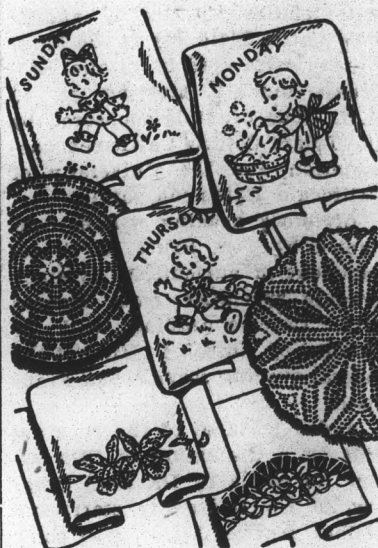

RALPH NICKERSON, Tulare county counsel, has been authorized by the Tulare county board of supervisors to petition the state securities commission for a railroad crossing on the extension of Henderson road, to link Henderson and the present highway 65 near the Sunnyside avenue and highway 65 intersection.

JAMES YOUNG, Tulare county supervisor from the Visalia district, has been named president of the San Joaquin Supervisors association.

H. R. DUNBAR, chief of the bureau of licenses, division of fish and game, announces that more than 318,000 licensed deer hunters were in the field in California during 1950.

The average California hunter and angler spends about \$165 each year in pursuit of his sport, according to the Wildlife Conservation Board.

PROFESSOR HAROLD R. GUILBERT has been made acting chairman of the animal husbandry division at Davis, to replace the late Prof. E. H. Hughes.

FOUR-IN-ONE

You will want one of these doilies for your well-dressed table. It is so simple and easy to make that you will wish several for gifts. A set of three would be ideal for a new bride. Included on the same pattern are floral pillow slip designs and little girl dish towel motifs. Complete instructions and directions come on transfer pattern C661. Enclose 31c, mail to THE FARM TRIBUNE, 522 N. Main St., Porterville. Allow about 15 days for delivery.

FROG SEASON

Frog season, for 1951, has been set between June 1 and January 31. No license is required; bag limit is 24 frogs per day or 48 per week; measurement for minimum size is four inches from tip of nose to crotch.

Only 13 1/2 per cent of California's 1,130 miles of coastline is owned by city, county, and state agencies, and is available to the public for recreational purposes, reports the Wildlife Conservation Board.

Artichoke season in the state is now practically over.

DAIRY CONCENTRATES

For dairy cows producing more than 30 pounds of butterfat per month, some dairymen divide the pounds of butterfat produced monthly by the cow by five or six to secure the pounds of gain to feed per day. Thus, a cow producing 60 pounds of butterfat a month would receive 10 to 12 pounds of grain per day.

We Only Heard

By BILL RODGERS

WITH THE death of Anna L. Norris, the Porterville community lost one of its real pioneers . . . Mrs. Norris came to Porterville nearly 60 years ago and through the years she was one of a group of women who contributed greatly toward the general welfare of the community . . . Personally, she was known as Auntie Norris to many children who are now middle-aged businessmen and farmers. . . . She was the last charter member of the Congregational church, was on the church's first board of directors; she was active in the old Women's Improvement club that eventually became the Porterville Women's club and through the years she was associated with many progressive movements that brought Porterville from a rough-and-ready pioneer town to its present, modern status . . . Always alert, always interested in current affairs, her mind was clear and active until the day she died. . . . Many times we have called to ask her about historical facts, or the background of events transpiring in recent years, and always she quoted names and dates and bits of personal information, and often she has supplied us with letters, newspaper clippings, personal records that she has preserved through the years — records that are now invaluable from a historical standpoint . . . This

community owes a debt of gratitude to Auntie Norris — and to the many other pioneer women with whom she was associated — who brought an early bloom of progress to this community.

OUR APOLOGY to Miss Sandra Farnsworth. Last week's Tribune says she showed a champion Hereford sow at the Tulare County 4-H fair . . . Imagine that. Sandra showing a sow . . . As everyone knows, us included, Sandra has made a considerable reputation with her Hereford cattle and we'll never know how we changed cow to sow . . . We'd fire the proof reader except that we read proof on that story ourself.

NOTES IN PASSING — Don't forget to vote at your school elections, tomorrow, May 18 . . . The biggest, fourth annual Porterville Livestock Show and Fair opens next Thursday, May 24, for three days in the Porterville Municipal ball park . . . Worst joke of the week (from our linotype operator, Esther Newman.) Said Esther, "Did you hear about the kidnapping in Lindsay?" Said we in great excitement, "No. What about it!" Said Esther, "They woke him up." . . . We told you it was the worst of the week.

R. M. PYLES, Huntington Beach oil man who, with his associates, has sponsored the excellent boys' and girls' camps at Lloyd Meadow and on Kern river, was a visitor in Porterville, Tuesday.

Agronomy Field Day

Latest information on types of alfalfa, grains, grasses, oil crops, pasture and field crops generally, will be presented to farmers who attend the annual spring agronomy field day, to be held on the Davis campus of the University of California, May 18.

Luncheon speaker at noon, at the Sunken Gardens on the campus, will be Dr. Paul Sharp, director of the California Experiment station, whose topic will be "Agriculture and Food." All farmers of Tulare county are invited to attend.

PIONEER MOTOR SV. OFFERS ANYTHING YOUR CAR NEEDS

COMPLETE AUTOMOTIVE repair and service, in addition to just about any item, large or small, that your car needs, is offered, by Gerald Lamb and Eloy Bilhou at the PIONEER MOTOR SERVICE, Hockett and Putnam, back of the Pioneer hotel in Porterville.

TEXACO PRODUCTS, Goodrich tires, Willard and Shamrock batteries, tow service, steam cleaning, motor tuneups, washing and polishing and lubrication are some of the products and services offered in addition to specialized work on the new-type automatic transmissions.

JUST INTRODUCED by Mr. Lamb and Mr. Bilhou is a budget payment plan on automotive work — a plan that you can take advantage of without the expense of special insurance and without surrendering title to your car.

AND PIONEER MOTOR SERVICE is an authorized station of the Automobile Club of Southern California for towing service and repair work. To take advantage of this special service, or to secure any other service, simply telephone 1320 during the day, or 1713-W at any hour of the night.

ALTHOUGH YOUNG in years, Mr. Lamb and Mr. Bilhou have a number of years of experience back of them; Mr. Lamb having been engaged in service station work for 20 years; Mr. Bilhou in various types of automotive work for about 18 years. In addition to themselves, three other persons are available at PIONEER MOTOR SERVICE for your automotive satisfaction.

BOTH MR. Lamb and Mr. Bilhou are "local boys," Mr. Lamb having been born in Lindsay, but has spent most of his life in Porterville; Mr. Bilhou was born in Porterville; both went through Porterville schools. They have operated PIONEER MOTOR SERVICE for about a year, taking over in April of 1950.

Cross Pollination Needed By Olives

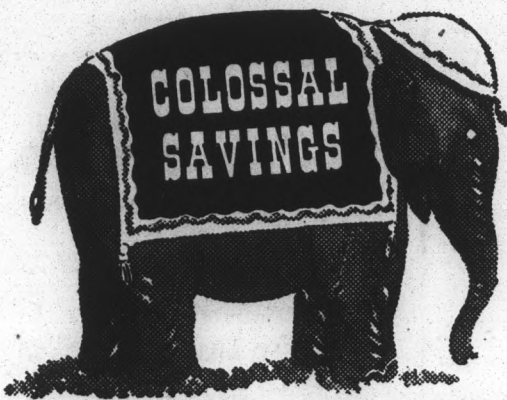

Experiments have shown that a certain amount of cross pollination is necessary to the fruit set of some varieties of olives, however, Farm Advisor Karl W. Opitz believes with the number of varieties of olives in Tulare county, no trouble should be encountered from lack of pollination.

He points out that other factors influencing olive set are irrigation, pest control, fertilization and climatic conditions.

SAVE CONTAINERS

Farmers are urged again to save containers for re-use and re-sale. Severe winter weather has reduced logging operations, causing shortage and high prices of raw material for wooden containers. Supplies of barrels and textile bags are tight. NPA may limit use of new and used steel drums because supply situation is acute.

INS UR EATHERS

By Phil The Forester

Sequoia lake in Fresno county provided some excellent trout fishing for the first half day of the opening and then the fish which Houdinied the hooks became fed up with the feast and failed to function as a good trout should. The game warden in the area attributed the great let-down to the millions of salmon

eggs used for chumming to attract the fish. It was reported to us that the lake shore was covered with salmon eggs and that the fish caught were bulging with the free handout. As of last Friday night, the trout fishing at Sequoia was still poor to terrible according to our warden reporter.

It is not illegal to use salmon eggs for chumming purposes, but if there were a few more incidents like Sequoia, then the prohibition regulation will probably be on the books next year. Chumming with vegetables or mineral matter is prohibited.

Sequoia lake contains some mighty nice trout and if there isn't too much feeding, they should

be striking again before the public is requested to leave the lake for the exclusive use of the YMCA starting June 11. It will be open to the public again the day after Labor Day, September 4, and will remain open until October 31.

FROG SEASON CLOSED

Because so many arrests are being made for the illegal taking of frogs, we remind all concerned the season on the leaping amphibian does not open this year until June 1 with a daily bag and possession limit of 24 over four inches from tip of nose to crotch. A fishing or hunting license will not be required to take frogs.

Radio telephone communications direct with Huntington lake reveals fishing very good, no snow, weather beautiful and no storm in sight. Fishing last weekend was also very good and many of the boys took limits of big trout.

Bow and arrow sportsmen are advised that the big carp are spawning at Bass lake and are vulnerable. Carp arrows must be attached to the bow by a line. Fred Kaiser took 13 bluegill and crappie in 35 minutes from Bass lake late last week with a special lure called "No-Name" which we'll try on black bass in a few days.

The Kern river near Fairview has been producing some nice trout on files and one of our State fish managers reported trout observed in Tyler and Erskin creeks but Adler and Cedar creeks were not producing for the anglers the day the fish men were making their survey. Kerckhoff reservoir produced two rainbow and one brown trout for the weekend fishermen.

Shaver lake trolling has slackened off according to wardens but bait fishing is producing fairly good. Most of the roads to the higher streams are still closed but the Coolidge meadow area may be open this weekend as county road

crews are working in there now. Dinkey lakes are not expected to be open for about two weeks but Dinkey creek has been producing a few trout. Kings river trout fishing has been poor but some nice big catfish have been taken from this river since opening day.

Word from San Luis Obispo county reveals the catfish, crappie, bluegill and black bass are responding at Atascadero lake.

PREDATORS TAKEN

Thirty-seven state hunter-trappers in California accounted for 1065 predatory animals during the month of March.

FARM TRIBUNE ADS PAY

Did You Know

TED EDDY, Porterville, has been named commissioner by the Southern Tulare County Sportsmen's association to represent this group at meetings of sportsmen with the Tulare county board of supervisors.

DR. ED WILSON, University of California, division of plant pathology; Larry Booher, extension specialist in irrigation and Farm Advisor Curt Ferris have set up walnut orchards in Tulare county where test plots will be established to study branch wilt disease.

THE F. R. FARNWORTHS recently purchased NHR Donal Domino 77th, horned Hereford proven herd sire, at Harry Parker's annual auction. At \$4,000 the bull, a grandson of Beau Blanchard 155th, topped the sale.

T. W. ELLIOTT has been elected president of the Porterville Photography club. Other officers are: Carl Driscoll, vice president; Mrs. Don Burkhart, secretary; John Stover, Treasurer; John Ramos and Don Burkhart, executive council. The club is now open to new members; next meeting, May 21, 8 P.M., Porterville College building.

ORANGES

Plentiful for Week of May 13-19

The orange crop this year is substantially larger than last year and the fruit is reported to be of excellent quality. The California-Arizona producing area has been providing Western markets with good supplies and oranges are the featured fruit on the U. S. Department of Agriculture's Plentiful Foods list for the week of May 13-19.

The orange crop for the 1950-51 season is estimated at 6 percent more than last season and 13 percent above average.

There has been an improved demand this year for the good quality Western orange crop, according to USDA surveys. During March household consumers bought 1 million, 370 thousand boxes of California-Arizona oranges, a 27 percent increase over February purchases and more than 20 percent higher than a year ago.

Shop With Scott And Save

MEAT

... Production Outlook ...
The American people eat more meat than people of any other nation and meat purchases account for a substantial portion of the average homemaker's food budget. In addition, the supply and price of meat is probably discussed by consumers more than any other food subject.

Meat production during the rest of the year is expected to exceed last year by a greater margin than the small gain in the first quarter. The prospect for the months ahead is for considerably more pork, slightly more beef, but less veal, lamb and mutton than last year.

In terms of the individual consumer the prospects mean that meat consumption per person for the entire year may be 2 to 3 pounds more than the 145 pounds in 1950.

Production Prospects

In the January-March quarter commercial production of pork was about 6 percent more than during the first quarter of 1950. A somewhat greater increase is in prospect for the spring and much of the summer, because hogs slaughtered in this season come from the 6 percent larger pig crop saved last fall. In addition, slaughter weights are expected to be a few pounds heavier than last year.

Farmers reported last December that they planned a 6 percent larger spring pig crop this year,

and pork supplies next fall and winter will reflect the increase.

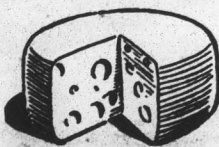

Although beef production so far this year has been close to last year's production a small increase over a year earlier is likely for the rest of 1951 since 4 percent more cattle were reported on feed in the corn belt. During some of the spring and summer, marketings of fed cattle are likely to exceed last year.

A high percentage of calves are being retained for feeding or for adding to breeding herds so veal production, which has been considerably below last year, is expected to continue lower than in 1950.

More ewe lambs probably will be held this year than last to increase herds, so slaughter of sheep and lambs is likely to be smaller during most of 1951 than in 1950.

SNOOPING

Questions and Answers

Dear Uncle Ferd: You've lived here a long time and know all the local history. I'm a business man here and understand Porterville almost lost a big industry last year . . . I want to know about it so I can join with whoever saved us and help us from losing more.

Answer: Yes, Son, Sunlight Bakery was ready to move to Tulare last year and take their \$270,000 a year payroll from Porterville. Andy Morrison of the C. of C. talked them into staying and expanding. If you want to help most . . . be wary of back-slappers, fast-talkers, and soda fountain gossips. Remember the old Spanish axiom, "in a closed mouth no flies enter."

Dear Uncle Ferd: Are you for or against sewers?

Answer: Well, son, it depends. Some people worry who live in houses where the septic tank is so bum their back yards are always wet . . . they need sewers. Some people are content as long as their toilet will still flush . . . they need chick-sales for a lesson. I'm for sewers and privies also.

Dear Uncle Ferd: After all that hog-talk last year, what has become of Rolla's pigs and the Farm Tribune pigs this year?

Answer: Just hokum, my dear! Rolla's pigs turned into sausage and the Farm Tribune pigs turned into lines of type.

UNCLE FERD

Dear Uncle Ferd and Aunt Liza: There is a dreadful amount of scandalous conduct in our community. Can't you two give us a solution?

Answer: That's easy. Just depends on the people. Woman we know "had a hand laid on her" by an impulsive man last week. Woman slapped the man; told her husband when he got home from the night shift at work. Next morning the husband got up early, dropped by the offender's place of business and beat the tar out of him!

UNCLE FERD

Answer: Ferd is right, it just depends on the people. That woman felt insulted and knew her husband would. She knew her husband cared enough for her to right her wrong. The only solution is more happy marriages.

AUNT LIZA

Dear Aunt Liza: How do you stand on the sewer issue?

Answer: High and dry, my dear. Ferd and I live on a hill outside of all city limits. We remember back in '09 when they had a city sewer bond vote. Sewers won 173 to 72. They thought then that they were cleaning things up, but that was only the fore-runner of the big smell.

Dear Uncle Ferd: That Betty Scott ran a long article last week about food prices being lower. My wages don't buy more now. How come?

Answer: That article the old bag wrote was based on "average factory wages." We all know she's a wrong-headed, bull-necked, old die-hard Republican too; but doubt she did it just to discredit the present Secretary of Agriculture. We just ain't go no factory here paying wages, Son! And won't have without a sewer and some money spent luring the factory here.

UNCLE FERD

Dear Aunt Liza: Why don't more people vote? This is a huge school district, how come so few voters.

Answer: You must be young yet. With age, you'll learn that people like to beef and cuss the other fellow. If they all voted, there'd be nobody to blame but themselves!

DEFEATIST DAY POEM

I wish I were a little rock.
Collecting dust or moss.
I wouldn't have to be a slave
Or worse than that, a boss.
by Peruna

Readers who see any similarity between real persons and those appearing in this column are doing so purely intentionally and at their own risk.

VEGETABLES TO PLANT

Corn, casabas, honey dews, persian melons, summer squash, tomatoes, egg plant, peppers, sweet potatoes, swiss chard, Irish potatoes, squash, cantaloupes, watermelons, green onions, carrots, radishes.

FLOWERS TO PLANT

Zinnias, asters, marigolds, petunias, cosmos, nasturtiums, portulaca, sunflowers, balsam, nicotiana, daisies, lantana, phlox, all

warm weather plants.

You can plant citrus, hibiscus, tuberous begonias, fuchsias, all the tropical and semi-tropical vines, shrubs and plants as well as nursery stock that is in cans or has balled roots. It's too late for bare-root stock.

Now that the camellias and azaleas are finished blooming, start feeding them acid food every six weeks or so . . . until they set buds, then stop.

BOOK SHELF

By DOROTHY MARGO

In these disturbed times we are all looking for reassurance. The directions in which we look vary according to temperament. Some of us escape into the non-thinking realms of light fiction and mystery stories; others turn to books of religion, feeling that spiritual help is badly needed. Still others hope that the world's problems may still be solved by the application of intelligent thinking and planning.

To this last group I strongly recommend two new books. Both authors have backgrounds that inspire respectful consideration of their ideas. Neither book is fussy

in its thinking. Both books take the stand that we must fall for either of two extreme views: neither the "we can do business with Stalin" school, nor the "drop the bomb now" school.

The two books are: **A PLAN FOR PEACE** by Grenville Clark, and **PEACE CAN BE WON**, by Paul G. Hoffman. In the former, Mr. Clark points out that "enforceable world law in the limited field of war presentation, binding on ALL nations, is the precondition of peace."

That sounds so simple that its weight is not at first realized. He contends that it is up to the people of the world, NOT their governments, to investigate the movement for peace. Mr. Hoffman, former chairman for the Committee on Economic Development for the U.S., then head of E.C.A., and now head of the Ford Foundation for Peace, considers only two courses open, "armed isolation," of leadership, and undertake the reorganization, economically and politically, of the entire free world." Mr. Hoffman declares forthrightly for this latter course, and sets about demonstrating that it CAN be done.

Both books give hope, providing always that we take the positive

Fall Fashion Shows Starting Soon, Local Reporter Will Attend

Fall Fashion Shows are about to begin. The first opening in California will be held in Los Angeles next week. Today, I received an invitation to the first fall showings in N. Y. to be held June 5th.

The world is changing . . . sadly for Europeans. The best dress designing is being done in the United States now. European women are reported as being less well dressed than formerly. (I marvel that they are able to dress at all, after the devastation of the last war.)

First fall showings often are not a good picture of what we really will be wearing. After the first showings, the designers often have their minds changed. Dorothy Owen has promised to look hard and we will have the news as soon as she gets back from the L. A. show.

Dairy Fiesta

One of the largest parades in history of the event is being anticipated for the Tulare Dairy Fiesta and Rodeo, slated for 7 p.m., Saturday, June 2, according to Keith Munger, parade chairman.

The Dairy Fiesta features a weekend of entertainment, with the Del Re rodeo at the Tulare county fairgrounds both Saturday and Sunday nights.

approach. They are first, dreams, then — plans, and finally concrete means of putting those plans into effect.

SCOTT'S COLUMN

Donations for the C. of C. Building finally hit a snag. Man offered that his wife would make the curtains for the big windows. Wife blew her top and announced he must be nuts! She hires her sewing done . . . is only able to do her mending . . . doesn't understand enuf sewing to make anything! "Why," exclaimed the incredulous husband, "you have a sewing machine!" "Yes, but I only know how to mend!" And so . . . far, far into the night. The poor man? Andy Morrison, that's who. Don't think that because your wife has soap, water, scissors, and a zillion curlers and bobbypins that she can fix her own hair. To be sure she doesn't look like a scare-crow see that she calls 107-W. FLORENCE PEAK'S BEAUTY SALON will turn her out well-groomed and attractive. Save yourself that "far, far into the nite!"

Store owner arrived at work later than usual with the exciting story of parked cars with dead batteries blocking driveways, much feminine pushing and heroic heaving and grunting, and "finally-here-I-am-in-spite-of-it-all, Excelsior!" attitude. All her clerks listened with admiration evidenced. But the youngest stole the show by exclaiming in a worn, executive voice, "Excuses, Excuses, nothing but excuses!" Don't find yourself in the excuse making class if a member of your family might be exposed to Polio. LUMLEY-REED has the best polio policy yet. It takes effect the instant you sign up and pay your \$10.00 . . . that protects your whole family for 2 years. Pays up to \$5,000 per person (five thousand). When you need insurance of any kind, see Lumley-Reed, your professional insurance counselors for all kinds of insurance, phone 524, 211 E. Mill St.

If, from now on, you miss some personalized messages in this column, consolation messages, for instance, about ovens that go off on Xmas Eve with the turkey in . . . it's because there's one less, a special one less, to write to since Anna Norris died. As one of thousands who were proud of being called a friend by Mrs. Norris I know I speak for all of us in being glad her full and active life wasn't spoiled by long illness. Happy memories are priceless. The latest idea is from EDWARD'S PHOTOGRAPHY STUDIO . . . a scheme to preserve memories. Service men will want their Eastman Kodak "Pony 828." Get 6 rolls of film with it. Every time you send a roll back to Edwards for developing they return a new roll with the prints.

And of the generations of Leslies there were many and they dwelt long in the land. Now Allen and Billie are waiting for their new home to be completed and Jack and Doris are moving the old family home from 2nd and Harrison out to their place. Dunno what the Leslies use for building materials; but your home will stand through the generations too if you use Redwood siding and Cedar Shingles from THE BREY-WRIGHT LUMBER CO. Redwood siding makes your home more attractive, for long years at low cost, the only cost. See Brey-Wright today for a free estimate. 10% down and 30 months to pay.

"Day Off!" Hah! Saw a gal today who came back to her job to recover from having yesterday off. She did the family wash and ironing . . . so of course that had to be the day the calf was butchered . . . and two pigs! All she has to do when she gets dinner over tonight is make lard. If she can keep her eyes open after that she'll have time to do her shopping from the Sears-Roebuck Catalogue. Have you taken advantage of the SEAR'S SALES OFFICE in Porterville? They have samples of all their appliances, all fabrics, curtains, etc., and clothes too. You can order by phone, call 1580 or 1581 or go in person. Three day delivery C.O.D. All returns are handled through this office at Main and Oak.

I admit that very little worse could happen than being the driver of the truck that ran into the cop's car. Having hard water, though, is plenty hard luck! Call CULLIGAN SOFT WATER SERVICE, Lindsay 2-4052, 143 W. Samoa. End ruined plumbing, save on hot water, soap and fabric wear with Culligan. I can prove you'll save money.

This year beat them all. Saturday, one dealer in greeting cards had the following baffling requests for Mother's Day cards. A card to "my future wife on Mother's Day," one for "my wife who will be a mother in about two months," a repeat request for last year's winner, a card to "my son on Mother's Day." No use asking the impossible . . . like asking PROCTOR'S CLEANERS to remove the moth holes from your fabrics. Take your woollens to Proctor's before you put them away. Moths find clean fabric less tasty. Proctor's does give you free "Retexing" that returns the youth to fibres . . . and at no extra cost. Drop your cleaning by at 4th & Putnam.

Sounded funny Saturday when I overheard a man asking a clerk, "Do you have women's brassiers?" I never heard of any other kind; but sympathized with his desire to make it clear he didn't need them! You figger it out! Here is the special we've been waiting for. BREY'S BOOK SHELF, 600 N. "D," has only a limited number of those beautiful Ruby Bell handwoven, handmade white handbags . . . and Marie is offering 1/3 off! Remember, Brey's is the first stop for wedding and graduation gifts.

Want to quick-freeze fresh peas and strawberries and make strawberry jam? You can order both of 'em fresh-picked locally. Peas will be \$2.95 a bushel. Call THE PORTERVILLE PRODUCE, 1836 Orange, at "C" St. Lots of fresh local produce at sensible prices now. Redland Navel oranges 35c doz., Juice oranges 10c doz. Fresh local peas 2 lbs 25c; Corn on Cob 3 ears 25c; No. 1 New White Rose Spuds 10 lbs. 41c; Lettuce 10c a head; Asparagus 2 lbs. 39c; Celery 12c bunch; Strawberries 15c basket; Bananas 2 lbs. 29c; Fresh String Beans 2 lbs. 39c; Bell Peppers 25c lb.; Garlic 35c lb.; Local Summer Zucchini Squash 15c lb.; Radishes, Green Onions, Beets, Turnips, all 2 bunches 15c; Carrots 2 bunches 17c.

RESOLUTION

Before The Governing Board Of The Porterville Union High School District, County of Tulare

IN THE MATTER OF DECLARATION OF INTENTION TO SELL CERTAIN SCHOOL DISTRICT PROPERTY.

Upon motion of Trustee Williams, seconded by Trustee Muller, the following resolution was duly made, passed and adopted by the Governing Board of said School District in a regular open meeting, by not less than a two-thirds vote of all its members:

WHEREAS, the Porterville Union High School District is now the owner of certain real property hereinafter described, and

WHEREAS, it appears to be in the best interests of said School District that said property be sold,

NOW THEREFORE BE IT HEREBY RESOLVED by this Governing Board of said School District as follows:

(1) That it does hereby declare its intention to sell the hereinafter described real property, upon the terms and conditions hereinafter set forth, and at a minimum price of not less than Seven Hundred Fifty Dollars.

(2) The said property herein referred to is described as follows:

A P. O. Crabtree residence located on Lot nineteen (19) of the R. G. Howland Subdivision as per Map recorded in Book 17, Page 37, of Maps in the office of the Recorder of said County.

(3) That this Board finds that said property is not, or will not at the time of delivery of title or possession, be needed for school classroom buildings or other school district purposes.

(4) That the 28th day of May, 1951, at 8:00 o'clock P.M. at the Porterville Union High School Office are fixed as the time and place for a public meeting of this Board at which proposals to purchase the said property will be received and considered.

(5) Written proposals must be sealed and filed with the Clerk of this Board prior to the time above mentioned, together with security in form of a certified check or bidder's bond in ten (10%) per cent of the amount bid in favor of said District, which shall guarantee that the successful bidder will purchase the herein described property upon the terms herein set forth, and shall be deemed to be, and surrendered to said District as, liquidated damages if he does not.

(6) That after opening and reading all written proposals at the time above mentioned, this Board shall call for oral bids. If any responsible person thereupon offers to purchase said property upon the terms specified herein, for a price exceeding by at least five (5%) per cent of the highest written proposal, then the oral bid which is highest, if made by a responsible person, shall be finally accepted. Such person must be ready to then and there tender the security mentioned in Paragraph (5), which may also be cash.

(7) That this Governing Board reserves the right, if it deems such action to be for the best public interests, to reject any and all bids, and withdraw the property from sale. This Board further reserves the right to delay final acceptance to any adjourned session of the same meeting held within the ten days next following.

(8) That the Clerk of this Board shall cause copies of this resolution, signed by not less than a majority of this Board, to be posted in three public places in said District, not less than fifteen (15) days before the date of said meeting, and to be published not less than once a week for three successive weeks in The Farm Tribune, a newspaper of general circulation published in said County.

(9) That additional terms and conditions of said sale shall be as follows: That the property shall be left clear of debris, that there be no destruction of trees on the property unless permission be granted by the Board of Trustees prior to date of moving; that the building be moved from the herein described lot within 30 days from the date of approval of the bid; that the Board of Trustees and official representatives of the Porterville Union High School District be in no way liable for injury to person or property sustained as a result of moving herein described building. This resolution offers for public sale only the dwelling known as the A. P. O. Crabtree house and garage, located on the herein described property.

NOTICE OF HEARING PETITIONS FOR INCLUSION OF LANDS IN LOWER TULE RIVER IRRIGATION DISTRICT.

Notice is hereby given that a petition signed by Frank H. Pratt, Nellie S. Pratt, John W. Samaduroff and Mary Samaduroff, owners in fee of the real property situate in Tulare County, California, described as follows, to-wit: The north half of southeast quarter of Section 21, Township 21 South, Range 26 East M. D. B. and M. has been filed with the Lower Tule River Irrigation District requesting that said lands be included within the District.

Hearing on said petition is set for June 5th, 1951 at the hour of 10 o'clock a.m. at the office of the District at Woodville, California, when and where any persons interested in the proposed inclusion may appear and file objections in writing, showing cause, if any they have, why the land or any of it should not be included as proposed in the petition.

LOWER TULE RIVER IRRIGATION DISTRICT.
Dated May 17, 1951.
Norman E. Vossler, Secretary.

\$950 Million Worth Of Farm Products To ECA

About \$950 million worth of agricultural products — about half of all ECA financing — were authorized for procurement for Western European countries during the third year of the Marshall plan, according to the Economic Cooperation administration.

These products include \$282 million worth of bread grains, \$39 million of fats and oils, and \$382 million of cotton, with lesser amounts of other items.

The bulk of the products are going to countries such as Western Germany, Italy, Greece, and France, which were hardest hit by wartime and postwar dislocations. ECA aid to Great Britain was discontinued the first of the year, with reductions also made for other countries in relation to their degree of economic recovery.

The 3rd annual Tulare Health Department banquet was held Friday night at the Soda Springs Inn. Thirty-nine members were present. Dr. Powell was the main speaker. Dr. Williams of the T.B. Sanatorium was a guest.

Mr. and Mrs. J. D. Trimmel and sons are moving to their new home in Concord. Their oldest son, Johnny, is staying with Mr. and Mrs. Vernon Gill until school is out. Johnny is a sophomore at the Porterville High School.

Farm Bureau Livestock Market

VISALIA, May 9 — Cattle: Few sales commercial to good grass slaughter steers \$31.40 to \$33.80, latter price for 1,170 lb. weights, with load around 1,175 lb. weights \$33.35, utility down to \$28.00. Odd head utility and commercial grass heifers \$28.00 to \$31.00, odd good light yearling to \$32.50. Light supply cutter cows \$22.00 to \$24.00, canners \$19.00 to \$22.00, bulk utility cows \$25.00 to \$26.50, few down to \$24.50, odd dairy types to \$26.50, limited volume high utility and low commercial grass cows, \$26.50 to \$28.50, few young commercials \$28.75 to \$30.50 with relatively high yields. Bulk utility to low commercial bulls \$27.70 to \$30.10, cutters down to \$24.00. Numerous lots good fleshy feeder steers \$31.50 to \$33.50, few to \$33.70, medium \$29.00 to \$31.35, several lots good light stock steers \$32.50 to \$34.50, few choice to \$34.75.

medium \$29.00 to \$31.75, commercial dairy types \$23.00 to \$27.00. Limited number medium and good feeding heifers \$28.00 to \$32.80. Few common to low medium stock heifers \$25.00 to \$20.00, one lot good short yearlings \$35.10. Odd head medium and good stock cows with calves at side \$280.00 to \$340.00 per pair, few medium stock cows \$22.50 to \$23.50.

Calves: Few commercial to good vealers \$31.50 to \$36.25, choice and prime absent, utility down to \$26.50. Good and choice slaughter calves \$34.75 to \$37.25, utility and commercial \$26.00 to \$33.75. Good and choice stock steer and heifer calves \$35.75 to \$39.00, few 150 to 250 lb. weights to \$41.50 or above, common to medium stock calves \$27.75 to \$34.00.

At the Visalia Farm Bureau auction, May 8, a total of 416 hogs were sold, including 131 feeder pigs. Butchers sold 75c to \$1.00 lower. Good 190 to 227 lb. butchers \$21.95 to \$22.50, 160 to 179 lb. lights \$20.25 to \$21.60, 240 pounders \$21.00 to \$21.75, and 290 lb. weights \$19.25. Good sows 400 lbs. down \$18.00 to \$18.30, 650 pounders \$15.25. Good 60 to 88 lb. feeder pigs \$26.00 to \$26.55, 125 lb. weights \$22.70 and 140 pounders \$20.80.

"HASTY HEART" IS ONE OF BARN'S BEST; MAX DENNING AND FRANK SHELDON, JR. COME UP WITH EXCELLENT PERFORMANCES

By Bill Rodgers

If you are one of those persons who believes you should "laugh a little and cry a little" at a good show, then "Hasty Heart" is for you because this Porterville Barn theater production, has the elements of genuine humor and pathos, and a good cast make it one of the Barn's best.

"Hasty Heart" is a good, solid

show to begin with, and the excellent acting of Max Denning and Frank Sheldon Jr., bring it to real life on the stage. Mr. Denning and Mr. Sheldon surpass any of their previous roles at the Barn and both come up with realistic, finished performances.

And we must hasten to add that just about the same can be said for the balance of the cast — Kit Tewksbury, Bill Marble, Gerald Lamb, Neil Selman, Al Kasper, Bill Carpenter and Jack Pritchard. This is a good cast that does a good job with a good show, and therein you have the elements necessary to an evening of fine entertainment.

The play is set in a temporary British General hospital in the Southeast Asia command during the last war. Plot centers around Lachie (Max Denning) a Scottish soldier who, without knowing it, has only a few weeks to live.

Efforts of Sister Margaret, the nurse, (Kit Tewksbury) and other occupants of the hospital ward, to get inside the "shell" of Lachie and the eventual results of their efforts brings those laughs and tears that we mentioned in the beginning.

Just one critical word — At times we found ourselves missing lines because we didn't quite catch Mr. Denning's Scottish accents — maybe our own fault, maybe not; and no one can take a time exposure and hold the camera in his hands.

But we only mention these things. "Hasty Heart" was really wonderful.

JERSEY STOCK

Seed stock from the University of California inbred herd of Jersey cattle will be sent to Michigan State college as foundation stock for a breeding project there.

Nearly 200,000 anglers spent a day aboard public party fishing boats operating out of the Los Angeles Harbor area in 1950, according to the California Division of Fish and Game.

POPLAR CHURCH HOMECOMING DINNER FRIDAY

Increasing of the church building fund is the aim of a Homecoming dinner to be given tomorrow night, Friday, from 5 to 8 p.m. at the Poplar Methodist church, in Poplar, with the public invited to attend.

Heading the committee on arrangements is Mrs. H. J. Williams, assisted by Mesdames Violet Carpenter, Emma Tharp, Albert Unser, Melba Medlin and Melba George.

OPEN FORUM ON LIQUOR COSTS SUNDAY AFTERNOON

Harold D. Wilson, former executive of the U. S. department of justice, will lead an open forum discussion on liquor costs, next Sunday afternoon, May 20, at 3 o'clock, in the First Methodist church. Ministers of Porterville have arranged for this All-church, forum discussion.

Mr. Wilson is now executive director of the California Temperance Federation and is leading a movement to organize branches of the federation in the 80 state assembly districts of California.

He states, "It is not our purpose to inject the national prohibition, issue into these crucial war days, but we are unalterably opposed to the constantly increasing sales promotion activities of the liquor traffic as evidenced by radio and television.

"Protests are only effective when wide-spread; such protests require state-wide organizational and educational effort, and to this end we are establishing 'Committees of 100' in each district... It is time we, the citizens, knew more about Artie Samish and the brewery interests who have supplied him with some one-half million dollars each year."

BARN THEATER STAGE WHISPERS

ONE WELL-PLACED MATCH COULD HAVE DONE THE JOB IN 30 SECONDS DEPT.: Stage crews often dream of taking down a set by the conflagration method, and if it hadn't been for the fireproofing on the Hasty Heart set, WHAT a temptation it would have been! As it was, we did succumb to the silent plea of the thatch roof and take out the keystone support and let it fall to the stage with a magnificent crash!! 'Hasty Heart' is now history and a pile of palm leaves!!

WE REALLY WANT TO HAVE YOU DROP IN ON REHEARSALS BUT WE'LL WARN YOU TO COME ARMED TO THESE DEPT.: If you think you can stand the bedlam, you're invited to see rehearsals for "Dirty Work At the Crossroads." Don't forget, Family Night (bring the whole family for \$1.00 plus tax) is May 24th!!

THE MELODRAMA OPENS MAY 24.

SPRINGVILLE NEWS

By WINNIE GAGE

Mrs. R. H. Shaw visited her niece, Mrs. Kenneth Gill at Madera a few days last week. Mr. Shaw drove up Sunday to bring her home.

Mrs. Ruth Peterson and Mrs. Bob Peterson went to Camp Stoneman, the San Francisco Port of Embarkation, to spend a day with Bob before he was due to sail to Korea.

A short program was presented Sunday morning at the Community Methodist church during the Sunday school period. Red and white flowers were given at the door by Pat Henson to all attending. Special corsages were given to: Mrs. Hance, the oldest mother; Mrs. Jeff Daniels, the mother with the largest family; Mrs. Harris, mother of the largest family present; Mrs. Elby Harwood and Mrs. Andy Kouklis of Delano, the mother who came the greatest distance; Mrs. Bill Harris, the mother with the youngest child present; and Mrs. Stancliff, the youngest mother. Corsages were given to the mothers who have children in the service: Mrs. Jeff Daniels, for her son, Rudy, of the Navy; Mrs. Eva Spees for her son, Leland, of the Navy; Mrs. E. A. Gabriel, for her daughter, Sharon, of the WAC; Mrs. Lyman Gage, for her sons T/Sgt. Reed Gage of the Army Medical

Corps and Sgt. Bob Gage of the Army Air Corps. The Primary department of the Sunday school, taught by Miss Evelyn Grimes and Mrs. Skiles, received a special award for having the most mothers present.

Mr. and Mrs. Scott Hubbard were business visitors in southern California over the weekend.

Rolland Killian has returned from a business trip to Reno. While he was there he visited with his brother-in-law, Bob Gilbert, a former Springville resident.

Boy Scouts and their parents, of the Porterville and Springville area, spent the weekend fishing and camping on the Borror Ranch.

Sport fishermen on public party boats operating out of California ports landed more than 114,000 albacore in 1950, it is reported by the Division of Fish and Game.

KIRK'S COW SCRATCHER

This machine will kill the warbles or grubs in the winter-time as fast as they make their breathing hole in the skin, and in this manner prevent the heel fly. It will kill or repel the flies, mosquitoes, ticks, lice, etc. It kills the ear ticks before they reach the ears. Cows will get the oil solution on sores and irritations, and kill or repel the screw worm fly and fly maggots. Also ranchmen report that "OLD SCRATCH" is preventing Pinkeye. You buy your favorite insecticide from your local dealer, set "OLD SCRATCH" up and the cows will do the rest.

We recommend a Rotenone solution in the winter, such as oil-mix Rotenox. For summer use, we recommend an oil-mix Chlordane-Lindane solution for range stock, and a Methoxychlor oil mixture for dairy and beef-finishing stock. A severe insecticide is not needed because the cows will rub and scratch some every day while they water and lick salt.

Why Your Milk and Eggs Taste Better

You can bet anything that the leading dairy and chicken farmers in this locality are feeding their stock a balanced ration of ALBER'S FEEDS! Not only does this scientifically prepared ration assure greater milk and egg production — it also means uniformly richer milk and better eggs the year around!

Srathmore Zoning Hearing Tuesday Did You Know

First of three public hearings before the Tulare County Planning commission concerning repeal of a zoning ordinance in Srathmore is slated for 8 P.M., next Tuesday evening, May 22, in the Srathmore grammar school auditorium.

Residents of the community are being urged to attend to express opinions concerning the existing ordinance. In recent months, considerable opposition to provisions of zoning has arisen in Srathmore and a strong group is now seeking repeal of the county ordinance.

A second hearing will be held at a later date in Srathmore; a third hearing probably will be held before the Tulare county board of supervisors.

STRATHMORE FFA CHAPTER GETS 10 EWES

Ten head of ewes have been secured through the Sears Roebuck foundation by the Srathmore Future Farmer chapter, for use in chapter projects.

The ewes are being kept at the school farm, where haying operations are now underway. Agricultural Instructor Charles Solomon states that about 50 tons of hay will be produced on the farm this season.

Grain Demonstration

Grain farmers of the county are invited to a field meeting to demonstrate a number of different varieties of oats, barley and wheat, Thursday, May 24, at the Allan Grant ranch, northwest of Visalia. The meeting will start at 10 a.m.

The California Division of Fish and Game operates the Nation's largest fleet of ocean patrol boats used in conservation work.

KEITH MANLEY, Woodlake, will play host to cattlemen and ranchers of the county next Tuesday, May 22, 10 a.m., when a demonstration of new range plants for cattle feed will be conducted by Farm Advisor Ralph Worrell on his ranch.

RAY HOLTZCLAW, California Farm Bureau Marketing association, will speak on problems of the beef industry at a pot-luck supper of the Springville Farm Bureau Center tonight at the Community hall.

THE GRISWOLDS, Art, Chester, Darwin and Roy, the latter from Los Angeles, returned early this week from Little Kern lake with four fine limits of trout. Coming out, they rode in a snow storm from the lake to Trout meadow.

JEANNINE HOLLAND, of Houston, Texas, the 1951 Maid of Cotton, will pay an official visit to the San Joaquin valley, May 24 and 25.

ANDY MORRISON, manager of the Porterville chamber of commerce, was recently given a unanimous vote of appreciation and confidence by the chamber board of directors.

WILBUR DENNIS, Ducor, will exhibit a 4½ year old fat steer at the Porterville fair, May 24, 25 and 26, this steer being perhaps the largest ever produced in southeastern Tulare county.

MONROE and CHESTER RITCHIE, Pixley, attended a meeting of the Tulare county chamber of commerce highway committee, held Thursday evening in Visalia. Supervisor Rodgers L. Moore attended from Porterville.

VOLUNTEER WORKERS (Continued from Page 1)

ade; Hugh Monroe, menagerie; Keith Kocher, swine; L. N. Carpenter, poultry and Barbara Richardson and Yvonne Hicks Beaver, Canterbelles directors.

In addition to these, many more persons will be on the job over the coming weekend (starting at 8 o'clock Friday evening) to erect the necessary barns in the ball park and the following organizations will have workers handling concessions during the fair:

Mexican Catholic organization, Poplar Grange, Springville Grange, Post 20, The American Legion, Job's Daughters, Porterville Eagles lodge, Mt. Whitney Post 2001, Veterans of Foreign Wars and the Porterville 20-30 club.

KILL POISON IVY

Spring is a good time of the year to kill poison oak and ivy, since they are most susceptible to sprays containing weed killing agents at this time.

The Farm Tribune

Published Weekly at Porterville, California

522 North Main Street

Porterville, California

John H. Keck, William R. Rodgers - Co-Publishers

The Farm Tribune was declared a Newspaper Of General Circulation on January 10, 1949, by judgement of the Superior Court of the State of California, in and for the County of Tulare.

WE CAN BE PROUD OF OUR SHOW AND FAIR

Southeastern Tulare county can well be proud of its Junior Livestock Show and Fair, the fourth edition of which is slated for May 24, 25 and 26 in the Porterville Municipal ball park.

We can be proud of this show because it ranks with the better small-town fairs in the state, yet it is staged without benefit of state political money — in fact it is the only fair of its calibre in California that does not cut into the "race horse money."

We can be proud of our fair because it gives the junior exhibitors of our community — the Future Farmers and the 4-H club members — a chance to show what they are doing, a chance to compete for blue and purple ribbons and a chance to sell their livestock as the final step in successful completion of their livestock projects.

We can be proud of our fair because it serves as a stage from which we can show, and on which we can view, the developments of agriculture in our own area, remembering of course that our area is one of the great, diversified agricultural areas of the world.

And we can be proud that as a community we are supporting a community effort through participation, through attendance and, in some cases, through contribution of money, remembering again that it is only through these three sources that your fair directors can maintain a financially sound livestock show and fair, this year and in the years ahead.

STRUCTURE

(Continued from Page 1)

south and west fences.

The three-day fair will open at 11 a.m., next Thursday with a varied program of displays, circus-type entertainment, a "million dollar" exhibit of Future Farmer and 4-H livestock, a junior horse show, a pet parade and a junior fat stock sale.

A feature of each night's entertainment will be Porterville's Fair Canterbelles, directed by Barbara Richardson and Yvonne Beaver, and food, drink and games concessions will be spotted in the display areas.

Some 50 exhibits will feature all types of home wares, farmer supplies, automobiles, farm implements and specialties.

After the first day, fair grounds will open at 9 each morning and remain open through the day and evening. Admission charge is good for all day and includes grandstand seats for the nightly entertainment.

RANGE PLANTS

Rose clover and Subterranean clover are showing excellent possibilities as range plants in experiments at the Keith Manley ranch, Woodlake. Planted last year, both have made good growth; both are annuals and have high feed value for livestock.
